

## MAPETROL CLASSIC ESTER 4T 10W-40

### Description:

Mapetrol Classic Ester 4T 10W-40 is fully synthetic, ester-enriched, engine oil for contemporary 4-stroke engines, developed from a blend of innovative additives and high-performance ester-infused base oils. Suitable for 4-stroke motorcycle engines, all-terrain vehicles, scooters, and motor scooters with or without integrated gearboxes, wet or dry clutches, and catalytic converters requiring API SN or lower and JASO MA/MA2 specifications. This oil is engineered to provide ultimate engine protection and gearbox durability. Follow the manufacturer's oil change guidelines in the user manual.

### Benefits:

- Unique additives and synthetic base for precise clutch operation and wear prevention
- Ester-based formula for superior lubrication, reduced fuel consumption, and extended engine life
- Stable base for extreme conditions and high-temperature resistance
- High viscosity index for stable performance, including cold starts
- Effective detergent additives for clean engine components
- Excellent anti-foaming and anticorrosion properties
- Compatible with similar synthetic oils and exhaust control systems

### Specifications and approvals:

API SN

JASO MA/MA2

### Storage:

Please store in a well-ventilated, dry, and cool area, away from direct sunlight and out of reach of children. Additional information can be found in the safety data sheet.
