

MAPETROL CLASSIC ESTER 4T 15W-50

Description:

Mapetrol Classic Ester 4T 15W-50 is fully synthetic, ester-enriched, engine oil for contemporary 4-stroke engines, developed from a blend of innovative additives and high-performance ester-infused base oils. Suitable for 4-stroke motorcycle engines, all-terrain vehicles, scooters, and motor scooters with or without integrated gearboxes, wet or dry clutches, and catalytic converters requiring API SN or lower and JASO MA/MA2 specifications. This oil is engineered to provide ultimate engine protection and gearbox durability. Follow the manufacturer's oil change guidelines in the user manual.

Benefits:

- Innovative additives and synthetic base ensure smooth clutch operation and gear shifting while preventing wear
- Ester-based formula provides superior lubrication, reducing fuel consumption, enhancing power, and extending engine life
- Exceptionally stable under extreme conditions, with excellent thermal resistance, maintaining a strong oil film
- Maintains consistent viscosity in all conditions, including cold starts
- Special detergent additives keep engine components clean
- Offers excellent anti-foaming and anticorrosion properties
- Compatible with similar synthetic oils and exhaust control systems

Specifications and approvals:

API SN

JASO MA, MA2

Storage:

Please store in a well-ventilated, dry, and cool area, away from direct sunlight and out of reach of children. Additional information can be found in the safety data sheet.
