

**Technical Data for:**

**MAPETROL BRAKE CLEANER**

**Description:**

Mapetrol Brake Cleaner is designed for use in maintenance, repair, and assembly tasks. It effectively eliminates and dissolves oily residues, grease, and silicone from various components such as brake discs, clutch parts, gearbox components, cables, and tools. Additionally, it captures and rinses away abrasive dust.

**Benefits:**

- Eliminates oil, grease, resin, and silicone
- Traps abrasive dust for easy removal
- Evaporates rapidly
- High spray pressure for thorough cleaning, including tight spots
- Provides efficient corrosion protection

**Instructions:**

- Test material compatibility on a hidden area
- Spray an even coat from around 20 cm away
- Allow it to sit briefly
- Reapply for tough stains

**Storage:**

Please store in a well-ventilated, dry, and cool area, away from direct sunlight and out of reach of children. Additional information can be found in the safety data sheet.
