

**Technical Data for:**

**MAPETROL MP 40**

**Description:**

Mapetrol MP 40 is a versatile spray that serves both as a lubricant for moving components like hinges, wheels, rollers, chains, and gears, and as a rust dissolver for stubbornly rusted parts such as bolts, pipe fittings, screws, nuts, joints, bowden cables, shafts, and locks. In addition to its wide range of applications, it also provides excellent corrosion protection. It is suitable for industrial, workshop, and household use.

**Benefits:**

- Repels water
- Excellent corrosion protection - loosens rusted parts
- Lubricating - stops squeaks
- Good against wear and oxidation

**Instructions:**

- Shake the can thoroughly before using
- Apply to the parts from a distance of about 20 cm

**Storage:**

Please store in a well-ventilated, dry, and cool area, away from direct sunlight and out of reach of children. Additional information can be found in the safety data sheet.
